Dear Mr. Corbo:

The staff of the Division of Gaming Enforcement's Regulatory Enforcement Bureau has reviewed amendments made to Petition # 2141103 filed by Marina District Development Company, LLC d/b/a Borgata Hotel Casino and Spa dated August 19, 2011. Specifically, Borgata is seeking approval to hold Bounty Tournaments in the Tournament Area during the Borgata Poker Open from September 7 through September 23, 2011. Borgata requests permission to process the registration, buy-in and entry fees for the Bounty Tournament games in the Tournament Registration Area. Additionally, Borgata is seeking approval to have Bounty chips (value chips) purchased from a chipperson/cashier through the use of a lockable cart within the Tournament Area. This chipperson/cashier may provide patrons taking part in the Bounty Tournament with applicable Bounty chips coinciding with the patron's registration form. The value chip amount will be printed on the registration form.
